ABERALDO PONGOLINI S.R.L

SINCE 1955, YEAR OF ITS FOUNDATION...

ABERALDO PONGOLINI S.R.L. was founded in Rafaela, Argentina in 1955 .

Since then, we have been manufacturing 300-INDY valve guides and seats, with the objective of constantly improving the quality of our products and service to customers around the world.

We have been exporting high-performance items to the US for more than 20 years and we have reached OEM and aftermarket customers in Europe, South America, Africa, Australia and Asia.

Our modern industrial plant of 2,500 m² employs 30 people that work in two different shifts, using state-of-the-art machines and technology for the production of 2,800,000 pieces per year.

Our history and experience in the manufacturing of auto parts items guarantee the quality of our production. Trajectory, diversity, quality and customers' recognition are our corporate pride.
